REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's amendment and remarks filed on 1/12/04 is acknowledged. In light of applicant's amendment and reply, previous 103 rejections of record are herein withdrawn. The examiner is in agreement with applicant that prior art references, taken alone or in combination, do not fairly suggest or disclose the instant step (e) of reusing the polymerization medium for further supported molecularly imprinted polymer by repeating step (a)-(d) as expressed in the present claims. Accordingly, the instant invention as defined by claims 1-21, and 23-39 is now patentable with respect to prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L. Pezzuto whose telephone number is (571) 272-1108. The examiner can normally be reached on 8 AM to 4 PM, Monday thru Friday.
